Taco Bar

Our recent resident event at Summerlinn was such a great time! Delicious taco bar from OC Taco with an incredible spread that brought everyone together over delicious food and great conversation. It was wonderful to see neighbors connecting, laughing, and enjoying the evening — events like these are what make our community so special. We can't wait for the next one!

What Residents are Saying

Stephanie W.

"I absolutely adore living here. Not only are the apartments beautiful but the staff is extra amazing. Especially Shelby at the office. She has a way with people and is also very knowledgeable in her field. If you have a concern I would recommend going to her or any of the other helpful staff thank you Shelby for help with setting up the utilities!!!"
