What Residents are Saying

Wendy P.

"I have lived here for over 1.5 years and love it. The outside landscape is beautiful and the buildings are well kept. The pool, hot tub, and gym areas are well kept, clean, and a very pleasant to use. Whenever I need to call maintenance they are there right away. I have always felt safe and comfortable living here. The management team is great, always there to answer questions and very kind and helpful. I moved here on a recommendation from a friend, and I have referred this place to many folks. Happy to call Summerlinn Apartment Homes my home"
